| 01 | 16-Nov-2018 | <ol style="list-style-type: none">1. As per received file we developed the artwork.2. As per earlier feet up artworks we kept FOP and BOP of P 422 C in screen printing for better sharpness of text.3. Please share high resolution file of ingredients image In (PSD/TIFF) before printing /plate making for better quality of output.4. Please note the flexo output will not match exactly with the target due to different printing process. But we will try to match as close as possible with target. |
